## Are You Ready for The Experience of a Lifetime?

If yes, please consider the opportunity to host an exchange student! Hosting an exchange student is the sharing of cultures between an international youngster and your family: customs, friendships, personalities, even the food and the holiday traditions - it's a growth and learning experience for all involved. Flag has two Chinese students currently at Central Catholic that are in need of host families for the 2018-2019 school year. So much included! An experience of a lifetime, a new family member, new culture experience, compensation and more! Please contact me today!
